Ever since she can remember, Britney's had a thing for older guys. Something about the way they took their time when they were fucking her. She's no minute girl, no, she prefers her fuck sessions to last and build while she cums and cums. Britney's had her eye on her dad's best friend for quite some time, ever since she saw the way he fucked his wife while they were all on vacation together. Well, today was her chance and she wasn't going to let his hard cock slip away.

# Britney

## *Dad's Friend*

As soon as he realized what Britney had in mind, he wasted no time beginning his assault.

Like she's always  
suspected, his cock was  
big, hard and delicious.

And, he definitely knew what to do with it.

He fucked her for hours, in every way possible.

Do you think you have the tools to satisfy  
this little slut?

# Arianna

## *A Young Bride Strays*

Arianna had only been married a few months when she discovered that monogamy wasn't going to cut it. She loved the nice home and the security but realized that limiting herself to just one cock was going to be an impossible task. She didn't feel guilty, quite the opposite—she was happy that her decision was made so easily and with no regrets. Now all that was left to decide was who was going to be the lucky recipient of her illicit loving.

She knew that with her attributes, finding an eager participant would be easy as pie, her pie.

She knew that her personal trainer lusted after her by the way his touch lingered just a little too long during workouts. She wasn't mistaken.

As his cock pounded her wet pussy, Arianna thought that this was much more fun than exercising at the gym.

Being bent over and slammed by someone other than her husband made her feel so naughty, but oh so good.

Will you be her next conquest?

"Oh, damn!" Margaret said, looking at the text message on her cellphone. "I've got to go back to the store for a minute – another emergency. Sorry, Elizabeth." My friend smiled apologetically. "Do you mind staying here with April and her friend until I get back? We'll go to the theater then?"

"Certainly, not a problem," I responded. "You take care of business. I'll be here when you get back." I grinned. "I'll play with the girls until then."

I found Margaret's daughter in the basement of their home, watching a movie with her friend, Jasmine. "Mind if I join you girls?" I asked.

"Absolutely not!" April chirped, sliding over to create a space for me on the black leather couch between her and Jasmine. Then a frown suddenly creased her pretty, freckled face. "Unless Mom left you behind to spy on us?"

"Nope. Just left me behind," I sighed, sinking down onto the couch.

I hadn't met Jasmine before. She was a petite, dark-haired girl, with caramel-colored skin and huge brown eyes. She provided a stunning contrast to tall, red-haired, bright blue-eyed April.

Both girls were wearing just shorts and halter tops, plenty of young, smooth flesh on display. I felt a tad overdressed in a black dress and black stockings and heels, a string of pearls around my neck.

"So, what are we watch-" I began to ask, before my mouth dropped all the way open.

## ACTING THEIR AGE

I don't know what the name of the movie was, but it starred beautiful Julianne Moore and a cute, young blonde girl – who were making out with each other. Then making love – naked – right in front of me and the two girls in 55 inch HD Technicolor!

My voluptuous body flooded with heat,

partly due to embarrassment and partly due to being turned-on by the sizzling sex scene.

"Have you ever done it with a younger woman, Elizabeth?" someone asked.

Someone who had their hand on my thigh under my dress. April!

I tore my eyes off the steaming TV screen and looked into the redhead's shining eyes. Her soft, warm hand slid up my thigh right to the hem of my panties. Words failed me. She moved her head closer, pressed her moist, glossy lips against my lips.

I almost fainted! I was more than twice April's age. I was friends with her mother. I was a heterosex-

Jasmine's hot little brown hand landed on my other leg, glided up my stockinged thigh and under my dress and up to my panties. April pulled her head back, and Jasmine kissed me. Her mouth was just as wet and willing as her friend's.

My temperature soared, my pussy gone molten. The girls' hands joined on top of my cunt, and I jumped a foot in the air.

They rubbed my welling sex. It felt wonderful, the heated moans of the naked actresses on screen echoing my sentiments exactly.

I couldn't move, didn't want to move, despite my starring role as responsible adult. April pulled my dress off one shoulder, Jasmine the other, baring my large breasts. The girls lifted my tits and sucked on the rigid tips, staring up at me with their dewy eyes, rubbing my pussy with their talented hands. I trembled and whimpered. Resistance was futile.

Jasmine stood up and stripped off her top and shorts. I stared at her ripe, young body, her shaven pussy and cupcake breasts with chocolate nipples. As April clutched and sucked on my tits, fingered my slit.

Then Jasmine resumed loving my chest and cunt, and April stood up and peeled off her clothes. The girl was lean and lithe, a tuft of ginger fur topping her ultra-pink slit, C-cup boobs bearing puffy, cherry-red nipples. When she rejoined us down on the couch, I couldn't resist grabbing her around the slim waist and sucking on one of her blossomed buds, her other swelled-up nipple. She moaned with delight.

I fondled Jasmine's breasts, bent my head down and tongued all around her dark, pebbly areolas. Before popping one of her jutting nipples into my mouth and hungrily tugging on it.

And then my dress and panties were off and I was sitting naked on the carpet with my back to the couch. April was crouched down in between my stretched-out, spread-wide legs, her happy smile just an inch away from the dark, damp fur of my pussy. Jasmine straddled my head with her knees up on the couch, the shiny lips of her slit hanging down to my mouth.

I grasped the girl's taut little buns. Just as I felt April's hot pink tongue stroke over my pussy. "Oh ... yes!" I moaned into Jasmine's twat. April parted my flaps with her fingers and lapped at my pink, dragging raw joy out of me.

"Eat me, Elizabeth!" Jasmine gasped. "Please, eat me!" She stared desperately down at me, her legs and cheeks trembling.

I sunk my fingernails into her bum and stuck out my tongue and licked her snatch from bottom to top. She spasmed, her buns jumping in my clutching hands. The girl tasted so sweet and pure, delicious. I licked her again and again and again, matching April's heated wet stroke on my

own buzzing pussy.

It soon became too much for me. Especially when April squirmed her naughty tongue right inside my pussy and her pushing nose nudged up against my clit. I instantly shuddered, overcome with orgasm. I just managed to suck up Jasmine's hard little button before I completely lost it.

Hot girl-juice gushed into my mouth and streamed down my chin, Jasmine coming as hard and wildly as I was. Our climaxes coincided perfectly with the actresses climaxing on-screen.

Afterwards, we both ate out April's juicy pink twat, helping her to experience what we'd so joyfully experienced. No acting required.

"Did the girls show you a good time, I hope?" Margaret asked when she finally returned.

"The best!" I gulped, my pussy still tingling. "They're a pair of stars, those two."

-Elizabeth Furlan

# Cassidy

## *Friendly Advice*

Well, you've seen Britney and witnessed her slutty ways. Now, meet her best friend Cassidy who while listening to Britney intimately describe every detail of her encounter with her dad's best buddy, decided that she too wanted a piece of the action. Britney made all the arrangements and all Cassidy had to do was spread her legs and wait. She didn't have to wait long.

Just like before, this dude got down to business and examined the delicious feast.

She loved the way he used his tongue, not like the younger guys she waas used to.

He quickly hit all the right spots and had her cumming in no time.

Just like her friend, she was getting fucked hard and deep in every which way.

Do you like sluts?

# Sophia

*Newly Divorced, Newly Fucked*

Sophia's been in a boring marriage for the last nine years until the day she finally decided enough was enough. Spreading her legs and having hubby pump away for five minutes wasn't her idea of great sex and she was determined to make up for lost time. Hide your sons because this horny ex-wife is on the prowl and nobody's safe.

Sophia had kept herself in great shape throughout her marriage. No kids and the best body hubby's money could buy.

This is her first hook up  
since her divorce and the  
horny lady wastes no time.

She needed to get  
fucked, and hard.

It's the first time she's cum by fucking in ages.

She'd never taken it in the ass before  
but she loved it instantly.

Wanna take a shot?

You can't say Aubrey didn't love her country. In fact she loved it so much that she had a special treat for any soldier from her hometown returning from combat. You guessed it, she was so proud of the men in uniform that she would give them the fuck of their life as soon as they were healthy enough to enjoy it. God bless Aubrey and her benevolent ways.

A full-page photograph of a young woman with blonde hair in pigtails, smiling. She is wearing a halter-neck bikini top with an American flag pattern (stars and stripes) and light blue denim shorts. She has a belly button ring and a ring on her finger. The background is a rocky area with some greenery and a small waterfall on the right side.

**Nadia**

# *Foreign Exchange Slut*

Nadia is a newly arrived exchange student eager to learn the customs of this strange land and just as eager to share some things she's brought with her from home. In addition to studying hard, Nadia is expected to take care of some of the chores of her host family. Welcome to America.

Overhearing the woman of the house telling her friend that sex with her husband is a chore, Nadia decided to help out.

A woman with long dark hair, wearing a pink ribbed cardigan and a black wristband, is sitting on a dark couch. She is holding the head of a man lying down in front of her. The man is wearing blue shorts. The woman has her finger to her lips in a 'shh' gesture. The background features a window with blinds and some green plants.

Like a good guest should, Nadia offers up her pussy to her generous host.

She doesn't mind this chore,  
beats doing the laundry.

The man of the house seems to like her skills as well.

It's been a long time since he's  
had a tight pussy like this.

Will you help out with the chores?
